On February 17, 2019 Detective Sergeant Rodriguez was working in an undercover (UC) capacity as an adult female who was offering her minor children for sexual exploitation using a social media dating application. Sergeant Rodriguez knows from his training and experience that this site is used by some to exploit minors sexually. The profile description for the UC profile stated:

“New in town. Single mom. I have three girls. Looking for like minded people that are into ddlg/incest/young taboo. No curious wanted. Only serious. Young fun. Taboo”

Someone later identified as Quentin Marcell Parker contacted UC Sergeant Rodriguez' persona. Parker acknowledged he reviewed the UC persona profile description. Parker was asked what his favorite ages were, he responded 10-15. Parker's profile on the dating application was a picture of himself with the name Quentin p.

On February 17, 2019 UC Detective Kristl Pohl took over the communication with Parker after he moved to text messaging.

Parker was asked if he was told the girls were 13, 11 and six. He responded, "That's no issue." When asked what his favorite ages were Parker responded, "I like the teens but I can deal with a 6 year old." Parker asked if the mother would be involved and he was told only to watch and make sure the girls were safe and having fun.

Parker was told the rules were:

"no pain, no anal, condoms and lube is required if you want to try any penetration with the older two."

Parker said that he doesn't do anal and he agreed to all of the rules. Parker asked the UC when they could meet. Parker was told the girls like candy. He asked what type and was told, "the little one likes lollipops and the other two like nerds, mike n ikes or anything like that."

The UC asked Parker how big he was. He replied, "6 and a half." He was told he would need lube and he agreed.

Parker asked what they like in a daddy. Parker also asked what they do during everyday activities. He was told they were homeschooled along with several other activities and things they like to do. Parker told the UC he was looking forward to being their daddy.

On February 18, 2019, Parker sent a message to the UC mother, "want to meet up." The UC mother asked Parker if he was wanting the girls today, he replied "Yes I would love that." The UC asked Parker if he could bring the condoms and lube, he replied "I got you."

Parker asked what could he bring the girls. The UC told Parker the girls like flavored lube and that she was at work and asked if he wanted to message Sam to ask her. Parker asked what the girls names were. He was told Sam is 13, Anna is 11 and Boo is 6. Parker said he would love to talk to Sam. The UC mother provided Parker a phone number for Sam. UC Detective Pohl communicated with Parker as 13-year-old Sam.

On February 18, 2019, Parker followed the UC mothers' instructions to go to a predetermined location in Thurston County, WA. Surveillance units observed Parker at that location. Parker sent a selfie as instructed from inside the location. Parker sent the UC a text message asking if there was somewhere, he could get the lube because they didn't have it at that location. The UC mother gave Parker another location and surveillance units observed Parker go to that location, enter the store and purchase lubricant. Parker was given the address to the UC residence. Surveillance units followed Parker to the UC residence.

At approximately 4:42PM hours, Parker was placed into custody by the arrest team. Parker had a Samsung Cell phone, a box of KY Yours and Mine Personal Lubricant, a box of KY fire and ice condoms, 2 bags of Mike and Ikes candy and two snickers bar with him at the time of arrest.

Parker was transported to the Thurston County Jail and booked on the above charges.

REPORT OF INVESTIGATION Assisting Officer's Narrative

Case # 19-004453
Citation #

Officer's Name: NCIS Special Agent Sara Elligson Badge No.: 5796

Video file name (if applicable): 19-004453

Video viewed by officer for this report: YES NO

The Washington State Patrol (WSP) Missing and Exploited Children Task Force (MECTF) in partnership with other allied agencies conducted an undercover operation involving online advertisements. Undercover (UC) personas were developed to answer and post advertisements online. Chats were established with targets using different undercover roles involving children. Targets were guided to a residence or location in Thurston County, Washington. The targets were arrested and interviewed.

Naval Criminal Investigative Service (NCIS) Special Agent (SA) Sara Elligson was present during the operation and acted in the undercover (UC) capacity answering the door at the residence. SA Elligson acted as the mother of three female children, ages 13, 11, and 6.

On February 18, 2019 at approximately 1638 hours PARKER, Quentin Marcell (DOB: 1/26/1988) arrived at a residence in Olympia, WA. SA Elligson opened the door and observed PARKER. SA Elligson greeted PARKER, commented on his appearance, and invited PARKER inside. PARKER entered the threshold of the residence. SA Elligson requested PARKER remove his shoes; PARKER complied. SA Elligson asked PARKER if he had the lube twice; PARKER replied in the affirmative. SA Elligson stated the girls were trying on outfits and left the room.

The arrest team took over after SA Elligson departed the entryway of the home.

This completed SA Elligson's involvement with this case.
